

Lancer accessories

Make your Mitsubishi your own, by selecting from our wide range of genuine accessories.

Bonnet Protector

This clip on Bonnet Protector is constructed of heavy duty acrylic and deflects flying stones from damaging the bonnet. The genuine Bonnet Protector is easily removed and reattached for cleaning.

*Available Sedan or Sportback

Headlamp Protectors

Designed to follow the contours of your Lancer's headlamps, these clip-on Headlamp Protectors are constructed of heavy duty acrylic to deflect flying stones from damaging your Lancer's headlamps. They are easily removed and reattached for cleaning. Sold as a pair to suit left and right headlamps.

*Available Sedan or Sportback

Sports Grille - Upper

The Lancer's Sports Grille features a deep-set mesh grille appearance and is highlighted by a body-colour frame to emphasise Lancer's street presence!

*Available Sedan or Sportback

Front Foglamps

Add style, sportiness and functionality to your Lancer with these Genuine Foglamps. They integrate perfectly into the front bumper and enhance vision and safety. Sold as a set of 2.

*Available Sedan or Sportback

Side Skirt Sports Accent Trim (Vinyl)

This is a blackout trim piece made of vinyl that is designed specifically to fit the contours of Lancer's side skirts. This accent trim emphasises the side skirts and adds even more sportiness to your Lancer.

*Available Sedan or Sportback

Chrome Door Edge Moulding

This accessory provides a classy touch to your Lancer's side styling and protects your door edges from unsightly paint chips and scratches. Available as a set to suit all 4 doors. Note: Not compatible with side protection mouldings.

*Available Sedan or Sportback

Chrome Door Handles

Sold as a set to suit all 4 doors. This stylish accessory adds a touch of class to the exterior appearance of your Lancer.

*Available Sedan or Sportback

Front Door Weathershields

Available separately for the left and right front windows of your Lancer. Weathershields deter rain and run-off water and wind noise from entering the cabin. This allows you to drive with your window slightly open during rainy conditions without the fear of water coming into the cabin.

*Available Sedan or Sportback

Carbon Fibre-Look B-Pillar Insert

Another accessory that adds a sporty look to your Lancer. The B-Pillar insert is perfectly shaped to stick onto the B-Pillars of your Lancer. They feature a carbon fibre-look print pattern for a racy and aggressive appearance!

*Available Sedan or Sportback

Sunroof Wind Deflector

Available for all Lancers fitted with Sunroofs. This accessory reduces wind and wind noise discomfort from entering the cabin when the sunroof is open. It also helps reduce the effect of wind buffeting that may sometimes occur when travelling at speed with the sunroof open.

*Available Sedan or Sportback

Windscreen Decals

Available separately to suit front and rear windscreens. This Windscreen Decal adds a racy look to your LANCER - like that of a rally car! At the same time, it acts as a sunshade to prevent the glare of morning and afternoon sun from impairing your view of the road!

Carbon Fibre-Look Door Mirror Covers

This sporty Door Mirror Cover adds a racy and aggressive look to your Lancer. Featuring a carbon fibre-look print pattern, the covers fit onto the exterior rear view mirror housing and replace the existing mouldings.

*Available Sedan or Sportback

Chrome Door Mirror Covers

This stylish accessory adds a touch of class to the exterior appearance of your Lancer. The covers fit onto the exterior rear view mirror housing and replace the existing mouldings.

*Available Sedan or Sportback

Chrome Exhaust Tip

Add the finishing touch to your Lancer with this stylish chrome exhaust tip.

*Available Sedan or Sportback

Rear Boot Spoiler (High-Rise Style)

The Lancer's High-Rise Style Rear Boot Spoiler emphasises Lancer's athleticism. It has been designed to compliment your Lancer's body styling and provide a sporty, aggressive, road hugging visual stance to the car - especially from the rear.
*Sedan Only

Rear Bumper Airdam

The Lancer's Rear Bumper Airdam has been designed to compliment your Lancer's body styling and provide a sporty, aggressive, road hugging visual stance to the car. Engineered for an integrated appearance, the Genuine Rear Bumper Airdam is made from the highest quality materials and tested to Mitsubishi's stringent standards to ensure it will not bend or crack. It also meets all Australian Design Requirements.
Note: Not compatible with towbar or rear park assistance.
*Sedan Only

Rear Parking Assistance Sensors

A very useful feature when reversing. A series of audible beeps indicates how close the vehicle is to an object, assisting you to judge the distance of your Lancer to obstacles when reversing or parking. The sensors integrate perfectly into the Lancer's rear bumper and can be disabled when towing by turning off at the warning buzzer. Note: Not compatible on sedan with rear bumper airdam.
*Available Sedan or Sportback

16 inch DIAMOND 5-Spoke Alloy Wheels

The DIAMOND 16-inch Alloy Wheel is a wheel with an elegant 5 spoke design, with each spoke featuring a double spoke!! They will give your Lancer an elegant and up market appearance. Note: Existing tyres from the 16" Steel Rims may be used with these wheels. Requires 16" Alloy Wheel fitting kit to suit.
*Available Sedan or Sportback

16 inch DIAMOND PLATINUM 5-Spoke Alloy Wheels

The 16" DIAMOND PLATINUM Alloy Wheel is similar to the classic DIAMOND Alloy wheel - except that each of the spokes have a machined-finish for an even more striking and eye-catching appearance. The DIAMOND PLATINUM Alloy Wheels will give your Lancer an aggressive and sporty appearance. Note: Existing tyres from the 16" Steel Rims may be used with these wheels. Requires 16" Alloy Wheel fitting kit to suit.
*Available Sedan or Sportback

18 inch PHANTOM 5-Spoke Alloy Wheels

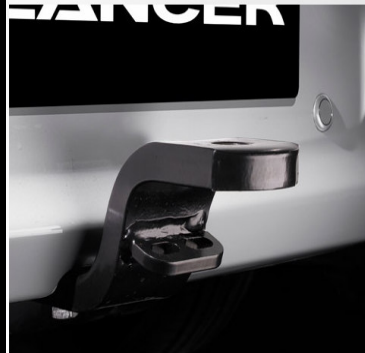

The PHANTOM 18-inch Alloy Wheel is available to suit all Lancers. Featuring a classic sporty 5-spoke design, they will give your Lancer an athletic and aggressive stance. Note: New tyres will be required if replacing standard 16-inch wheels and tyres. Requires 18" Alloy Wheel fitting kit to suit.
*Available Sedan or Sportback

Alloy Wheel Lock Nut Set - Flat Washer^

Sold as a set of 4 to suit Lancer's alloy wheels. Alloy Wheel Lock Nuts help to protect your alloy wheels from theft by requiring a unique key to loosen the Lock nut. The sight of the lock nut on an alloy is often a deterrent to opportunistic would be thieves.
*Available Sedan or Sportback

Towbar Package

This Towbar package has been engineered specifically for your Lancer. It features a Towing Capacity of 1000kg and a 100kg Downforce. The package includes the Towbar, Tongue, Wiring Harness and 7 pin flat plug. Please refer to the owners manual for full towing details. Note: Not compatible with Sedan rear bumper airdam.
*Available Sedan or Sportback

Rear Bumper Protection Strip

Another very useful accessory that has been engineered to help prevent damage to your Lancer's rear bumper when loading and unloading items from the boot. It mounts on the top of the Lancer's rear bumper and protects it from knocks and chips and scratches to the paint work.
*Available Sedan or Sportback

Mitsubishi Multi Communication System

Featuring: Full Colour 7.0" in dash high purity LCD screen. DVD based satellite navigation covering most major roads and highways. Optional Rear view camera compatible. CD, MP3, WMA, CD-R, CD-RW and DVD compatible disc drive. Drive environment and air conditioner information display function.
*Sedan Only

Floor Illumination - Front

This stylish and classy accessory will add a touch of class and sportiness to your Lancer's interior - especially at night when it lights up the front footwells with a cool blue light as the car doors are opened. Very useful when you have dropped something in the footwells at night.
*Available Sedan or Sportback

Bluetooth Hands Free Kit

With the genuine Bluetooth Hands Free Kit, certain Bluetooth-compatible mobile phones or PDAs may be connected wirelessly to your Lancer's audio system. When a call is received, the audio system is muted and the call can be answered by pressing the dash mounted button. Your caller will be heard through the audio system speakers. The kit comprises of a dash mounted switch for perfect integration into the instrument panel and a small pillar-mounted microphone. Note: The accessory bluetooth kit is different to the factory-fitted bluetooth system.

*Available Sedan or Sportback

Carbon Fibre - Look Gearshift Console Surround

Designed specifically to suit the contours of the Gearshift console and featuring a sporty Carbon Fibre-Look pattern, this accessory will add a racy feel to your Lancer's interior. Available in 2 styles to suit Manual and Auto models respectively.
*Available Sedan or Sportback

Sports Gearshift Knob - Silver Alloy & Black Leather

Personalise your Lancer's interior and enhance your driving pleasure everytime you shift the gearknob with the Sports Alloy Gearshift Knob. Perfectly shaped for maximum comfort and superb control, the Knob features a rounded top that is finished in an attractive brushed silver alloy. Available in 2 styles to suit Manual and Auto models respectively.
*Available Sedan or Sportback

Auxiliary Input Cable

With this cable, you can connect external audio sources to your Lancer's audio system and play the sound through Lancer's car audio system. Perfect to connect your iPod or other music source, the cable is mounted in the glovebox. Note: Music sources cannot be controlled by the Lancer radio using this input. It is simply an input source into the system.
*Available Sedan or Sportback

Parcel Net

This useful accessory will help you to store items in your boot securely whilst you are travelling. It features a detachable mounting system and stretches across the boot width - perfect for shopping bags!
*Sedan Only

Boot Liner - Hard Plastic

This practical accessory has been designed to suit the rear cargo area of your Lancer. Made from moulded hard plastic and featuring a raised outer lip to retain loose objects, it is easy to remove and clean. It offers protection to the cargo area of your Lancer from wear and tear of loading and unloading items likely to damage the carpet in the cargo area.
*Available Sedan or Sportback

Embroidered Carpet Mats

Designed specifically for the footwells of Lancer and available as a set of front and rear mats. Carpet Mats improve the look of your Lancer's interior and also help to keep your Lancer's footwells clean. The Mats are embroidered with the "Lancer" insignia and are designed to perfectly follow the Lancer's floor line contour and feature an anti-slip design for absolute safety.
*Available Sedan or Sportback
